PARTNER TESTIMONIES

Here's what our Impact Partners are saying as they work with us to impact lives and help people experience God, while also building their business and brands.

“We have been partnering with KTSY since 2012! The KTSY family has helped us make the absolute most out of our changing budget. As we have grown, we have increased our budget and it has been **the BEST return of investment**. KTSY's listeners are a loyal group and they like using the companies they hear on the station. So many of our clients thank us, on a weekly basis, for our support of KTSY. It truly is a great BIG family!

“It is the mission of KTSY that drives us to support their call of spreading hope. It is the listeners of KTSY—those that embody hope, love, and community—that help make our support possible. Yes, we receive positive feedback from clients who hear us on KTSY; however, **it is the partnership in the Kingdom that's the ultimate reward for us.**

– Casey Dillabaugh, Owner, Dillabaugh's Flooring America

“We love families at Roaring Springs and Wahooz. **Our research shows us a large percentage of our guests listen to KTSY**, so it simply makes sense for us to continue to build a partnership with such a family-focused radio station. The team at KTSY has been **incredibly innovative** in creating unique opportunities, events and promotions that benefit both of our brands. **Supporting KTSY is a valuable part of our annual community outreach plans.**”

– Tiffany Quilici, Chief Marketing Officer, Roaring Springs Waterpark, Wahooz Family Fun Zone
